

## How to Use Moodle to See Your Student's Homework Assignments

1. Click on the **Munster Moodle** button on Wilbur Wright's homepage.
2. You **DO NOT** need to login into Moodle. All of Wilbur Wright Middle School's departments are listed below. Click on one. You can also use the Course Categories drop down box located at the top of the page.  
**NOTE: DO NOT click on the courses listed under Navigation on the left side of the page. This is for students who want to login to their Moodle accounts with their username and password.**
3. You'll either see the teacher's assignments right next to their name and course **OR** you'll see a **blue "i" icon**.
  - Click on the **blue "i" icon**. This dialog box will contain the teacher's homework assignments.
  - If there's nothing listed next to the teacher's name and he or she doesn't have a **blue "i" icon**, then you can find his/her assignments on PowerParent.
  - If you're having trouble finding a teacher's homework, please be sure to contact the teacher.
