

WWMS PING PONG CLUB

2017 - 2018

Welcome to the 2017-2018 WWMS Ping Pong Club! Last year was the first year for this club at Wilbur Wright and many students participated and had a lot of fun. This club is the most relaxed and informal club of all the clubs at Wilbur Wright. Students can come to play at club events when they have time and there is never an obligation to attend. This club is meant to be a fun club where students can play against each other and sometimes play against a few guest members (teachers and principals!). Here are a few additional details:

- The faculty sponsor is our principal, Dr. Sargent
- All communication will be done through email at:
wwmspingpong@munster.us
- The fee for the club is \$20.00 for the school year which includes a T-shirt and funding for supplies (tables, paddles, ping pong balls, etc.). **We will start to collect the money in November, no need to turn any money in for Ping Pong until November.**
- You will receive an email that provides the details for the days that you are scheduled to play
- The club will meet after school and the time will typically be 3:00-4:15 PM on a standard day (day of the week will vary). Tournaments will be held and the hours extended on certain special occasions
- All ability levels are welcome, we will attempt to match players with those at similar ability levels

If you are interested in joining and are not already receiving emails from "wwmspingpong", please email the following information to wwmspingpong@munster.us

1. Name
2. Grade
